President's Message

Dear Sisters and Brothers,

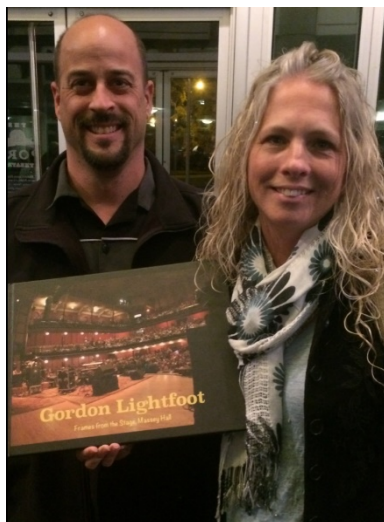

It is hard to believe that the year 2017 is coming to an end and many of us will soon be off on Winter break. On behalf of myself and the rest of the Executive, we would like to wish you and your families a Merry Christmas and a Happy New Year. May your time together be joyful and safe.

Looking back over the previous year, one can be somewhat optimistic that next year may bring about some much needed changes to the K-12 system. Our new Government says that is committed to properly fund the education system. We, as support workers, can finally breathe a sigh of relief. Hopefully, we will see some of the jobs that were cut returned to the system. We all want to have a manageable workload that we can take pride in.

In closing, I hope that next year will be a year that brings good health and prosperity to all.

In solidarity,

Rob Zver, President
