

This email is being sent to CUPE K-12 Presidents Council, Non-CUPE Local Presidents and CUPE Staff Representatives for K-12 Locals.

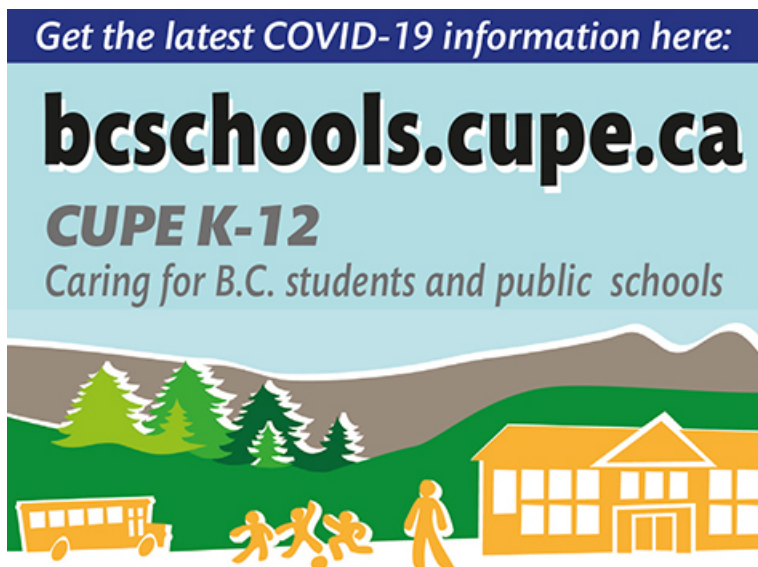

Hello Everyone,

We have posted a link to the K-12 and COVID-19 virtual town hall held Wednesday evening with Minister Rob Fleming, Dr. Trevor Corneil, and BCSTA President Stephanie Higginson. The public submitted questions through email, Facebook and Twitter and many questions that members are asking are addressed in this discussion.

Just a reminder to all locals to please add a link to the bcschools website to their websites as we are posting all information there.

Below is a revised graphic that references COVID-19 to post and link with [bcschools.cupe.ca](https://bcschools.cupe.ca)

Thank you very much for sharing this information widely.

In Solidarity and Safety,
